SERMON BY DR. GALLAHER

FORMER PASTOR OF CALVARY BAPTIST CHURCH IN HIS OLD PULPIT.

If God Be For Us Who Can Be Against Us—
God is for Every Man Who is Trying to be Good—The Devil Working Against Us—
God With Us Everywhere and at Every Time.

Rev. Dr. H. M. Gallaher, pastor of Trinity Baptist church, Brooklyn, preached a most impressive sermon at the Calvary Baptist church yesterday morning before a large congregation. Dr. Gallaher was pastor of the Calvary Baptist church from 1875 to 1880, and was much beloved by his people.

His text yesterday morning was, "If God be for us, who shall be against us?"—Romans 8:31. His general theme was that God is for every man who is trying to be good. He spoke in the main as follows:

The devil is our chief enemy. He accuses us, both to each other, to our selves and to God. He is against us because he injects evil thoughts into our minds, and presents temptations to our minds, whence the name the Tempter applied to him. Yet the world continues to go on, not by necessity, but simply because men are after their own fortunes and do not care who stands and who falls. Very often our own families are against us, and worst of all, we may be against ourselves. Many of us wonder that children grow up at all. David says, "If the Lord had not been on our side the enemy would have swallowed us up."

Who, then, is for us? God is for us. He must be for us. He must be for somebody. He can be neutral, and of necessity He is for people like himself. His disposition is for us. He likes us, and tells us He likes us. He has set His heart on the children of men. When ever we love one we do all we can for them. This is just the feeling God has towards us. He maketh the wrath of men to praise Him. He maketh all things to work together for good to such as love Him.

His gifts are for us. Of His very heaven He says, I go to prepare a place for you. He invites us to come and abide there where He is Himself the highest of all.

The question then arises, How is He for us? Like as a father pitieth his children, He knows our frames and weaknesses that we are but dust. Like as a mother comforts her children, so He comforts us.

When is He for us? Whenever we need Him and that's every hour. When we fight like wild beasts at Ephesus struggling with evil passions, and hot revenge is in us, then is He for us. In the day of affliction, when our eyes are watering wet and our eyes steeped with tears, then does He aid and comfort us. If a man does not afflict himself, God will. Every one that loves suffers. He is smitten of God and afflicted.

Where is He for us? He is for us everywhere. In the prison with St. Peter, on the wreck with Paul, in the flaming fiery furnace with the three children of Israel, and with David in the horrible pit.

How long will He be for us? The German says, Ich bleibe dich in Zeit und Ewigkeit (I love you in time and in eternity). Let all have good souls rejoice. God is for us and will be for us until their feet have trodden the golden streets of the city of God.

Suits and Waists

Coat room offerings are truly enticing. The most magnetic one is centered in the number of reduced fine Suits.

Every Wash Shirt Waist, including exclusive and elegant styles and fine materials. Before Monday, \$1.25, \$1.50 and \$1.75 each. Your choice, 98 cents each.

White Goods
Right in the middle of the white goods season, when about every other day forbids any other gowns but white, think of these quotations.

Hosiery and Underwear

Pure white Jersey Lisle Vests, imported to sell at 50 cents, go at 25c. each.

For the Men
The fact that women when buying for men can secure equally good, if not better bargains for father, brother or son, is really a fine feather in the Big Store's cap.

The 25 and 50c. Fancy Silk Band bows, suitable for either sex. All of them 12 1/2-cents each.

Men's Fancy silk Clubhouse Ties, 12 1/2c. each. The balance of fancy silk Ties, 9c. each.

Our well-known 30 cent "Mole skin" Wash Pants, tough as tin, go smack to 20c. a pair for all that's left.

All Knee Pants.

Our Shoe Shop
Up go the "Signal" tickets over the shoes, while down go the prices. And this in spite of the steady "rise" in the leather market. 10 per cent. reduction on all our Ladies' Misses' and Children's tan shoes, while the signals are up.

A lucky "buy" brings into our possession a job lot of Ladies' Dongola patent leather tip Oxford Ties. What's the price? \$1.00. But what's the "Signal" price? Echo answers—79 cents a pair.

Where can we buy Children's good shoes at a reasonable price? The Big Store is busy every day answering that truly economical family question.
